

AI Seminar Program 2015

The AI Seminar (Presentation of projects and system overviews from Avolites and Avolites Media) will be presented by Steve Warren, managing director of Avolites, and Phil Mayer of GaiaNova. (<http://gaianova.co.uk>)

Phil Mayer has been Ai system integrator and system support for the Singapore National Day Parade and is also the world's leading authority in large scale, multi-projector blending for Full Dome, Immersive environments.

The seminar will be conducted on **Tues, 11th August 2015** from **1pm to 6pm** at **Scape (Orchard Road) – Level 5** (<http://scape.sg/contact#>)

Seminar Schedule

- 1pm: Meet and greet session
- 1:30pm: Unique project presentations of Avolites and Avolites Media Ai projects including the award winning Arcadia Spectacular, Lincoln Park world tour, Cold Play album launch, and the Omnia night club in Caesars Palace. *(Presented by Steve Warren)*
- 2:30pm: Projection mapping for the launch of the World Cup Football and Full Dome projector mapping in London's county hall for the Mexico 2015 presentation. *(Presented by Phil Mayer)*
- 3:30pm: Coffee break and Q&A session.
- 4pm: Explanation of the Ai server's unique functionality for automated, camera-based warp and blend. *(Presented by Steve Warren)*
- 4:30pm: Explanation of the system and in depth analyse of how the Singapore National Day Parade was delivered. *(Presented by Phil Mayer)*
