To whom it may concern,

**RE: Total Solution Holdings Pte Ltd**

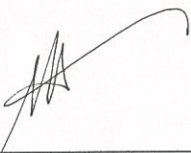

In 2005, The Esplanade Company Limited purchased a Barco I-Lite 8 LED System. In May 2011, Esplanade contracted **Total Solution Holdings Pte Ltd** (Total Solution) to provide maintenance servicing for this system.

We knew of Total Solution's proven track record as a Barco supplier and their involvement in LED fixed installations and servicing, since 2005. They had provided competent on-site service and technical insight on our Barco system earlier this year, which led to our selection of Total Solution to perform a complete maintenance overhaul of our Barco System, in their LED Service Centre in May.

We have confidence in the technical know-how and troubleshooting capabilities of their experienced and qualified Service Centre team. We are satisfied with their ability to render proper and timely, servicing, returning our Barco System to peak performance and prolonging its lifespan.

Total Solution has always displayed high levels of professionalism and customer service in all their dealings with us. We look forward to working with Total Solution again, for future product and service needs.

Yours sincerely,
