

TESTIMONIAL

Date: 14/04/08

To whom it may concern,

Total Solution Marketing Pte Ltd (Total Solution) was contracted by The Esplanade Theatres in the year 2006 to supply Intelligent Moving Luminaires and Theatre Lighting Luminaries.

In 2007, Total Solution was again selected to supply Intelligent Moving Luminaires and Lighting Consoles.

Total Solution provided excellent support, and valuable technical insights, while we were making our purchase decisions. We were suitably impressed by the quality of their lighting solutions, in addition to their proven business track record. Total Solution also displayed their strong commitment towards after sales service, with their regular product training seminars, and updates for our technical personnel.

Other than the above, Total Solution has a team of experienced and well qualified technicians in their Service Centre that consistently demonstrate their strong technical know-how and skilled troubleshooting capabilities. This gives us an added confidence in their ability to render timely post warranty servicing to help us prolong product lifespan.

We certainly look forward to partnering with Total Solution again for future product purchases.

Yours faithfully,
