## **Astera Titan Tube**

Titan is the ultimate LED tube for filmmakers, TV studios and any creative person. It emits powerful, tunable white with ultra-high color rendering as well as colored light which can be applied to individual pixels or the whole tube..

## **grandMA3 Light**

The console is the work-horse of the range. It provides the perfect combination of power and physical size. The grandMA3 light console is suitable for all but the most demanding productions, making it probably the most versatile lighting console available.

## **ChainMaster BGV-D8 Hoist**

The compact form, robust aluminium casing and low unladen weight of ChainMaster rigging lifts guarantee optimal handling in day-to-day use. An extensive selection of optional fittings and accessories allow worldwide use in line with the widest range of requirement criteria.

## **Robert Juliat Cyrano**

Cyrano's narrow beam angle is suited to super-long throw distances found in the largest theatres and stadia. Its unique dimmer shutter gives Cyrano a superb dimming ability - making it indispensable for opera houses and large TV shows.
